Subject: CONTRACT SC-56

Dear Doug:

25X1A

We have received an authorization from [REDACTED], one of our employees who is with Detachment "C", to increase his monthly Service Technician's pay to \$110.00 each four weeks. We will be processing this change to be effective June 10, which would be payable to him on July 6, the scheduled pay date for this Detachment. Will you please arrange that this increased amount is paid to him on that date.

Yours very truly,

Hal
